

How to Increase Annuity Sales w/ Our Results-Driven Marketing Programs

Planning for Taxes in Retirement, Protection of Assets, High-Cost Long-Term Care, and Legacy Wishes

Four things matter for your prospects and clients in their post-career years:

- How much they pay lifetime taxes in retirement
- Whether their assets are protected from creditors or collections especially when incapacitated
- If they are prepared against wealth-depleting costs of long-term care, which can exceed \$70,000 per year alone
- Whether their legacy wishes for their loved ones and their belongings will be carried out efficiently post-death.

Annuities can help solve a lot of these problems for your clients. Many people have these issues as top-of-mind concerns. In partnership with our Collaborative IMO, Safe Money Resource, our direct-response lead program is designed to stimulate annuity conversations with new prospects and set you up to write more annuity business.

See how you can drive more responses with a budget-friendly program. Safe Money has a long-time partner that has been in the business of helping producers grow their sales for 30 years and counting!

Now you can put their honed expertise to work for you. Ask about this program and how you can create more conversations about prospects about these important retirement topics. We have sought out this program to be affordable and budget-friendly, and it includes a plethora of follow-up support materials to close sales.

BONUS: When you write business with our Collaborative IMO Safe Money Resource, you can qualify for more marketing support on their dime!
